

EXTENDED MECHANICAL BREAKDOWN **WARRANTY**

CarJager can extend the duration, the maximum cover AND the number of parts covered by your warranty to give you the best possible protection against any accidental mechanical breakdown* of your car.

Option 1

12 months or **10 000 km**
Driven

Price : **€450** (incl. VAT)

Option 2

24 months or **15 000 km**
Driven

Price : **€1300** (incl. VAT)
(Payment facility: payable in 10x without charge)

What is the guarantee limit?

€10 000 (incl. VAT)

(unlimited number of claims)

*What is covered?

176 mechanical parts

47 mechanical parts covered in addition than the included warranty (listed below)

+ Price of labor

Valid with which mechanic?

Any approved professional

Valid for all claims occurring within the EEA + list of countries where the car is insured with your own road insurance

- ✓ **Combustion engine:** all lubricated moving parts, cylinder liners, piston, axle, segment, connecting rod, crankshaft axle, bearing, oil pump, damper pulley, motor sealing, distribution: chain, timing belt, gears, tensioner, wire-strainer, TDC sensor, cylinder head, cylinder head gasket, cylinder head cover, cylinder head cover gasket, camshaft, valve, valve guide, hydraulic lifter, rocker arm, rocker arm cover, linguet, probes: water, oil, temperature, manifold: evacuation, intake manifold, engine ECU, engine support.
- ✓ **Hybrid engine:** all lubricated moving parts, cylinder liners, piston, axle, segment, connecting rod, crankshaft axle, bearing, oil pump, damper pulley, motor sealing, distribution: chain, timing belt, gears, tensioner, wire-strainer, TDC sensor, cylinder head, cylinder head gasket, cylinder head cover, cylinder head cover gasket, camshaft, valve, valve guide, hydraulic lifter, rocker arm, rocker arm cover, linguet, probes: water, oil, temperature, manifold: evacuation, intake manifold, engine ECU, engine support, hybrid system: electric engine, converter, power divider, corn field train.
- ✓ **Electric engine:** power electronics, stator, rotor, reducer, wiring harness, noisemaker, battery charge control unit, electrical power control module, power meter, transformer, circuit breaker.
- ✓ **Manual gearbox:** all lubricated moving parts, shaft, cog, sync, fork, bearing and bushing, sump, locking mechanism, speed sensor, synchronization elements, internal rod, hydraulic transmitter/receiver, clutch release bearing, flywheel, gearbox control including robotic system.
- ✓ **Automatic gearbox:** all lubricated parts, control unit, torque converter, solenoid valve, hydraulic block, speed sensor, oil pressure sensor, oil pump, gearbox control, gear selector, continuously variable transmission (CVT) system.

**See the list of guarantee exclusions*

EXTENDED MECHANICAL BREAKDOWN **WARRANTY**

CarJager can extend the duration, the maximum cover AND the number of parts covered by your warranty to give you the best possible protection against any accidental mechanical breakdown* of your car.

- ✓ **Traction transmission:** driveshaft, flex disc, differential, sun gear and planetary gear, axle shaft, universal joint, CV joint boot, wheel bearing.

- ✓ **Propulsion transmission:** driveshaft, flex disc, differential, sun gear and planetary gear, axle shaft, universal joint, CV joint boot, wheel bearing.

- ✓ **All-wheel drive:** driveshaft, flex disc, differential, sun gear and planetary gear, axle shaft, universal joint, CV joint boot, wheel bearing.

- ✓ **Power supply:** fuel injection pump, injection pump stop solenoid, Injector, injector seals, injection module, pressure regulator, diesel pressure sensor, air flow meter, high-pressure pump, stepper motor, fuel pump, fuel tank sender unit, vacuum pump, throttle body, carburetor.

- ✓ **Supercharging:** turbocharger, turbocharger solenoid valve, variable geometry, intercooler, compressor.

- ✓ **Cooling system:** water pump, thermostat, water housing, temperature sensor, cooling fan, air-to-air heat exchanger, engine cooling radiator, oil radiator

- ✓ **Electricity:** ignition coil, glow plug, electric fan, alternator, starter, regulator, distributor, ignition module, glow plug relay, original electric motor including controls, windshield washer pump, wiring harnesses.

- ✓ **Braking:** wheel cylinder, master cylinder, brake booster, vacuum pump, ABS unit, ABS sensor, brake caliper, proportioning valve

- ✓ **Steering:** rack and pinion, housing, power steering pump, hydraulic cylinder, distribution valve, column, axle, drive shaft, electric pump

- ✓ **Suspension:** hydraulic system, pneumatic system, diaphragm, shock absorber, sensor

- ✓ **Air conditioning:** compressor, condenser, evaporator, radiator, expansion valve (or orifice tube), fan, desiccant/drier, climate control unit.

- ✓ **Instrument panel:** instrument cluster, steering column switch (or control lever), paddle shifter, pedal potentiometer, pedal sensor, brake light switch.

- ✓ **Safety:** airbag, airbag module, airbag control unit, actuator, pretensioner, seatbelt sensor, ESP sensor, audible warning device, blind spot detector
